OUR ASSETS

REAL ESTATE

Real estate is a \$217 trillion-dollar market making up almost 60% of all global wealth. It's the largest source of wealth, yet it is illiquid for 99% of the world today. In the past, you only had access to real estate if you were rich or had rich friends—meaning that most people weren't able to benefit from the passive income and capital appreciation it provides.. Today, Zenico Limited cut out the expensive middle man and provide access for investors, by investing in shares of real estate using crypto currencies.

AGROBUSINESS

Modern day agriculture won't be realistic without some of the most expensive machineries put in place for it. Agriculture is the future of industrial raw material and the world food supply. Zenico Limited being a diversified and forward thinking investment company, has ventured into this sector of investment... Today, Zenico Limited channels it's resources into it's various farms spread across the globe in order to generate daily profit for it's investors and secure the future of global food supply

CRYPTOCURRENCY

Bitcoin mining is the process of creating new bitcoin by solving a computational puzzle. Bitcoin mining is necessary to maintain the ledger of transaction upon which bitcoin is based. Miners have become very sophisticated over the last few years... Zenico Limited have through the years been part of the bitcoin mining sector. Zenico Limited having a pool of professional crypto miners uses complex machinery to speed up mining process

GOLD MINING

Commonly seen as a great store of wealth, this precious metal is also known as a reliable safe-haven asset. With a rich history amongst almost all global cultures, gold remains a highly popular investment. Although it has multiple uses, its primary function is typically to hedge against inflation in an often volatile futures market.

RECYCLING

Recycling is the process of converting waste materials into new materials and objects. This concept often includes the recovery of energy from waste materials. The recyclability of a material depends on its ability to reacquire the properties it had in its original state. We believe that the full benefits and potential investments in

Metals Investment Retirement Accounts. Gold has been one of the most valuable precious metals throughout human history, used by elites as a symbol of wealth for centuries due to its rarity and its ability to hold its worth for a long time. Historically, it has been the most common way to pass on one's wealth as an inheritance from one generation to the next. Gold is considered a worthy investment, with coins and bars available for purchase in various sizes, ranging from one gram to a whopping 400 ounces. Being the most reliable investment commodity available, gold has proven to be a perfect way to diversify your investment portfolio and an excellent safeguard against volatile currency.

developing the recycling industries. Our vision is one in which recycling industries gets the support it needs and deserves.

ABOUT COMPANY

TRUST, EXPERIENCE, EXPERTISE AND PROFICIENT

At zenicoltd.com, our mission is to support passionate entrepreneurs/investors in building great businesses and income flow. To do this, it takes more than just capital – it takes a trusted partner who understands the entrepreneurial and investment journey. And while some company may get rattled at the first sign of trouble, we stand by our investors to help them navigate both the ups and the downs.

You might think investment is all about money and interest – and to many, it is. For us, it's about building relationships and trust. We pride ourselves on being supportive partners to our investors in good times and bad, offering them the capital and network they need to build successful businesses and many more.

We make decisions guided by a disciplined framework which ensures we select the right partners who share our values to deliver the best possible outcomes for our stakeholders and investors. At zenicoltd.com, we are committed to being a good and reliable corporate friend for our investors, and partners.
